Four Types of People

Conscious	-Know they are not very good -Have a chance to get better -Looking for ways to improve	-Know that they are good -Use lists a lot, very anal -Perfectionists
Unconscious	-Don't know they don't know -Will not get much better -Will lose games for the team	-Don't know they are good -Practice hard every day -Always working hard on skill -Need many of these players

Thoughts from the Summer of 2015

-We have to be a hard working team, and a hard working staff
-Be effective with your time, what do you need to work on. What does this team need???
-Does the team's passion match the coaching staff's passion
-We need to create a family atmosphere
-Just try to get better EVERYDAY
-No mater what system we run, we need to understand the little things that make it work
-We need to become students of the game - notebooks, film, skills analysis
-GOOD SHEPERD CONCEPT – must have toughness & compassion. Everybody does the dirty jobs on a great team – Renaissance festival
-Don't whine, don't complain and don't make excuses
-KNOWLEDGE – knowing what to say WISDOM – knowing when to say it
-Four things to build a team

1. Individual Responsibility
2. Collective pride
3. Shared Suffering
4. Shared Ownership

-When the pupil is ready, the teacher will appear
-Play at a pace that is uncomfortable for the other team
-A quiet team is a scared team, a scared team is a quiet team
-Basketball is a game of counters
-An army of asses led by a lion, will always defeat an army of lions led by an ass
-Footwork and balance are two most important things with shooting
-It takes more than five players to make a winning team
-We have stimulate our players to be the best they can be
