WOODEN QUOTES – TEAM

If we are not true to ourselves, one can not be true to others.

Never believe that you are better than anybody else, but remember that you are just as good as everybody else. NOT BETTER, JUST AS GOOD

Character is what you really are, reputation is what people say you are.

Perfection is what you are striving for, but perfection is an impossibility. However, striving for perfection is not an impossibility.

NO man was ever honored for what he received. Honor has been the reward for what he gave.

Never try to be better than someone else, but never stop trying to be the best that you can be.

Try your hardest in all ways and you are a success. PERIOD. Do less than that and you have failed to one degree or another.

You can make mistakes, but you aren't a failure until you start blaming others for those mistakes.

The preparation is where success is truly found.

Each of us must make the effort to contribute to the best of their abilities according to our own talents. And then we put all the individual talents together for the highest good of the TEAM.

HARD WORK IS THE DIFFERENCE – VERY HARD WORK.

I believe that ability can get you to the top, but it takes character to keep you there.

What you do today will determine what is going to happen to you, not what you did yesterday.

Sports show us that you think of the group as a whole rather than just yourself as an individual.

The players were challenged with trying to improve a little each day, trying to get closer to becoming THEIR best.
